

DVI Dual Link Cable, Digital TMDS Monitor Cable (DVI-D M/M), 25-ft.

MODEL NUMBER: P560-025

Description

Tripp Lite's 25 foot DVI Dual Link TMDS cable delivers the high performance, high bandwidth needed for today's digital video displays. Note: Review your monitor manufacturer's specifications for a stated maximum DVI cable length. While many monitors only support a 5 meter (16ft) DVI cable, simply adding a Tripp Lite [B120-000](#) DVI Extender will guarantee full digital signal strength at any length up to 150ft. Gold plated contacts ensure excellent conductivity, while double shielding (foil and braid) provides maximum EMI/RFI protection. Use in conjunction with DVI video cards that are specified as Dual or Single Link. Both DVI connectors are molded, have integral strain relief for long life reliability, and ferrite collars to drain off extraneous electrical interference.

Features

- Superior molded cables with foil/braid shielding for maximum EMI/RFI
- Dual Link digital signalling for transmission speeds to 9.9Gbps and 2560 x 1600 resolution
- Meets DVI DDWG Standard
- PC and Mac compatible
- For use with Digital CRT displays, Flat Panel Displays, HDTV and Projectors
- Check monitor manufacturer's cable length specs - may need Tripp Lite [B120-000](#) DVI Extender

Specifications

INPUT	
Cable Length (ft.)	25
Cable Length (m)	7.6
